I understand and certify that, for the entire duration of my association with BM@N:

- All BM@N users are expected to participate in Collaboration activities, scientific and technical, in a collegial manner respecting the cultural and ethnic diversity within the Collaboration.
- All BM@N users are expected to abide by the BM@N Bylaws and other adopted policies. They are also expected to abide by the JINR rules and procedures while present at the host premises.
- The scientific results obtained in course of the experiment shall be published only with the consent of all authors. The paper to be published and report to be presented shall be cleared by a Convener of the corresponding Working Group before submission.
- BM@N computing facilities, services and software are intended for the attainment of the experiment's aims. Their use must come within the professional duties of the user and work on the BM@N experiment. The use of the computing facilities and software must cause no material or moral damage to the experiment or any computing facilities, nor disrupt their operation.
- BM@N computing facilities must be used in conformity with their rules of use. The rules for the NICA (NCX) cluster, HybriLIT platform with Govorun and JINR CICC are listed on the official web sites, currently at https://webncx.jinr.ru/start, http://hlit.jinr.ru/for_users_eng and http://lxs-s03.jinr.ru/cicc/index.php/main-rules-for-cluster-user.
- I am aware of the prohibition on divulging given passwords, the use of unlicensed software, the inadmissibility of attempts of unauthorized access to the services, computer and network resources of the BM@N experiment.
- Although the Collaboration endeavours to maintain and protect its computing facilities and software, it cannot guarantee their proper functioning or the confidentiality of information stored by them. The BM@N Collaboration therefore accepts no liability for any loss of information or any breach of confidentiality.
- The information on the BM@N experiment including documents, wiki, mailing lists, information on the collaboration structure, services, software and computing infrastructure can be found on the official web site https://bmn.jinr.int.
- Once the registration is complete, the user and team leader will receive a prompt email.

I will inform BM@N of any changes in the foregoing, and understand that such changes or non-compliance with the rules may result in termination of my association with BM@N.
